TDCJ mourns passing of CO Shana Tedder

The Texas Department of Criminal Justice extends our condolences and deepest sympathies to the family, friends and coworkers of Correctional Officer Shana Tedder, who passed away at the Crain Unit in Gatesville on June 9. Officer Tedder complained of shortness of breath soon after having been involved in a Use of Force with an offender. A short time later she collapsed. EMS was called to the scene but attempts to revive her were unsuccessful. Ms. Tedder had served with TDCJ since 2005. We join with those who knew and loved Officer Tedder in mourning her loss. ●
